

# STUDIT

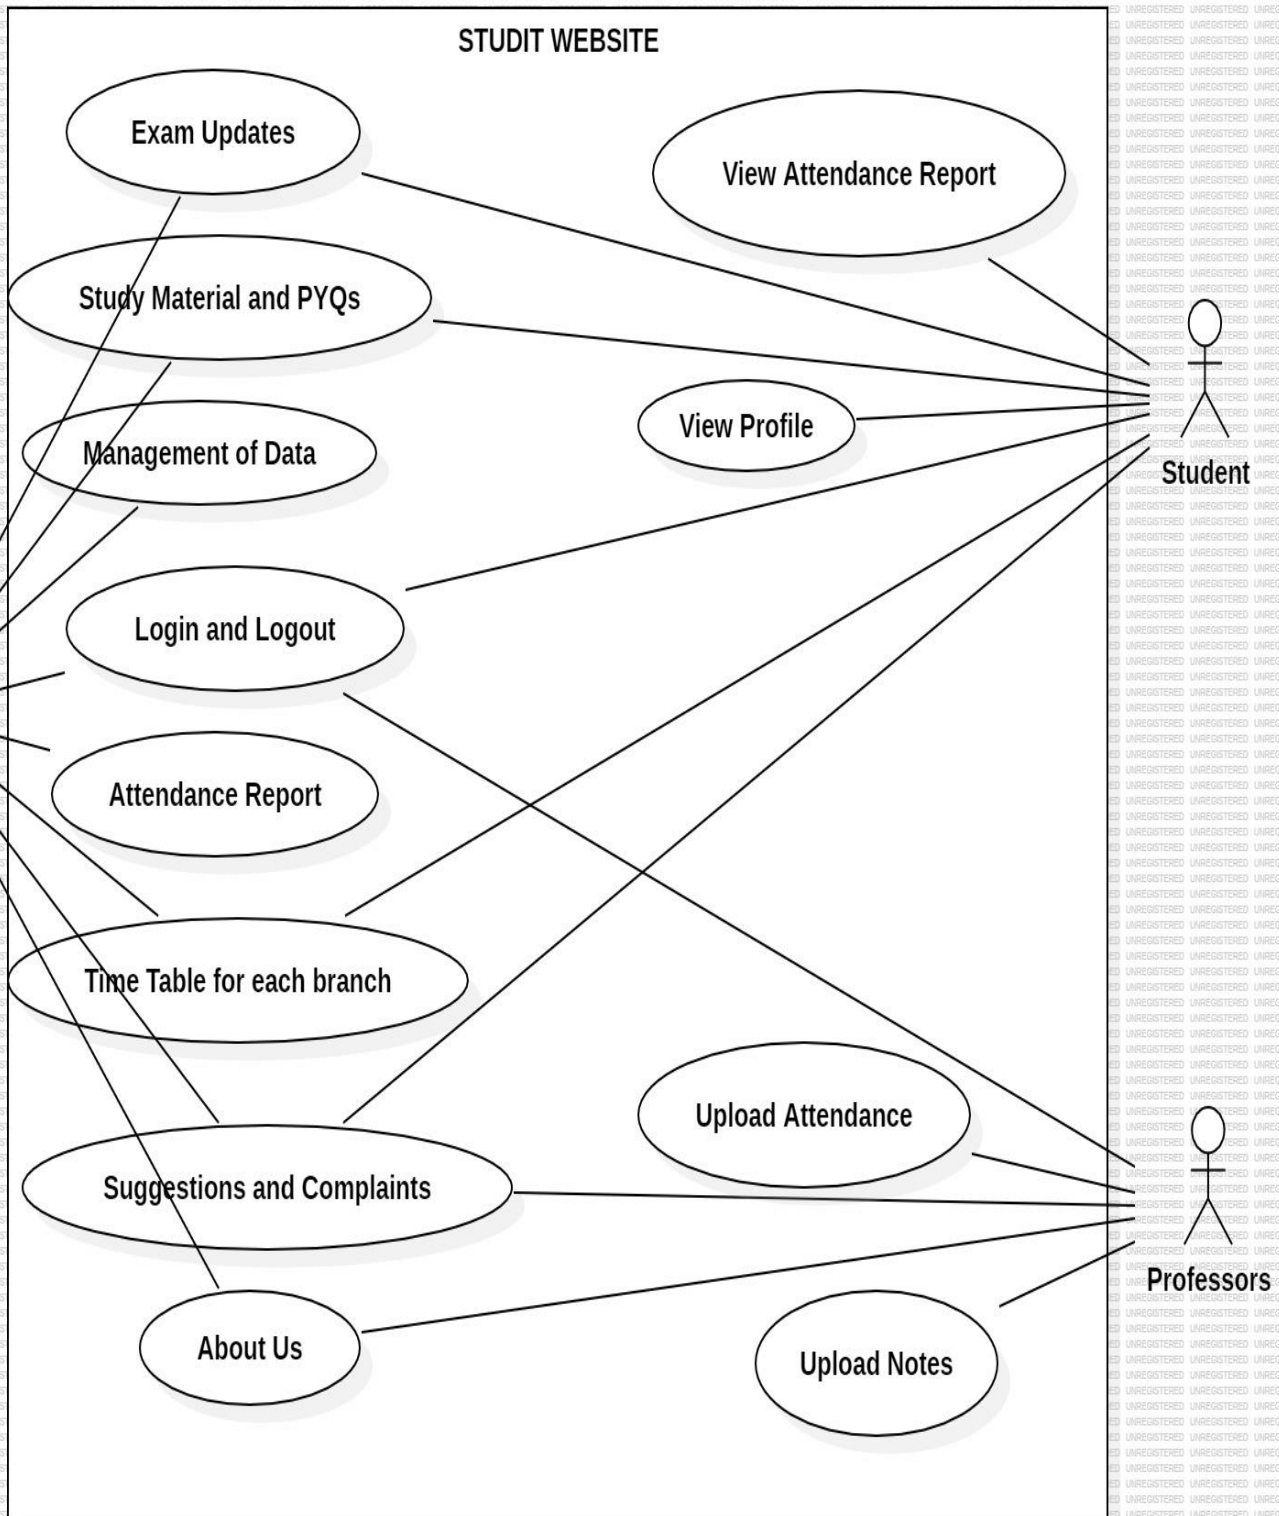

## Problem Statements :

To create a collaborative website for NIT Kurukshetra's students that provides structured PYQs , notes for all branches , and track their academic data and attendance along with a complaint box section so that students can express their problems anonymously .

This Website will contain :-

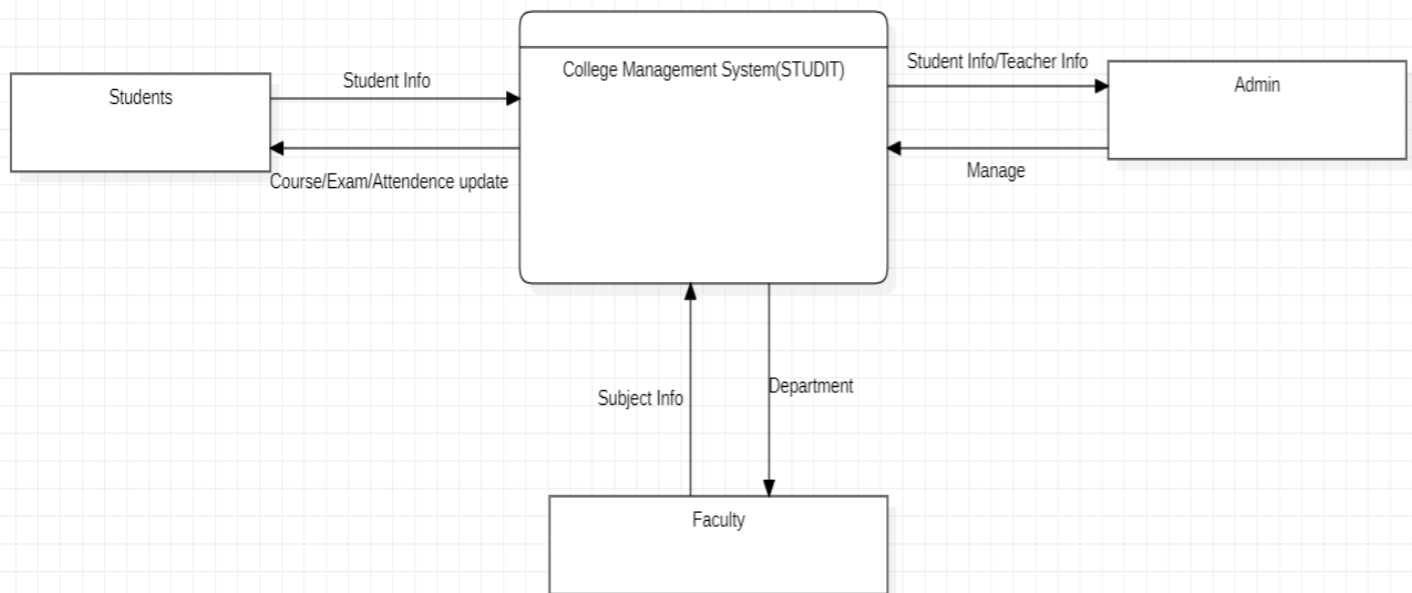

- ❖ **Module - 1** : Previous Year Questions for each department and year/semester .
- ❖ **Module - 2** : Subject wise segregated notes , books and references to ace their college academics.
- ❖ **Module - 3** : Profile Page that includes student's academic data , downloaded pdfs and a track of a his/her attendance .
- ❖ **Module – 4** : Complaint Bux Page where students can file their give the raise their issues which can be forwarded to the institute.
